Presidents Message

By Rob Glushon

On behalf of the Encino Neighborhood Council, I would like to invite you to join in the effort to make our City work for us and the Encino community.

How many of us complain about traffic? Planning and Zoning decisions that negatively impact our community? Our diminishing open space and parkland? The deterioration of our streets, sewers and infrastructure that becomes worse with overdevelopment?

Yet, how many of us choose to get involved in some way to protect our community – to communicate with City and other government officials who make daily decisions that affect us and our neighborhoods?

As individuals, it is difficult if not impossible to fight City Hall. But my experience is that when local residents and/or businesses organize themselves, they can and often have great clout in getting things done.

Become informed. Attend our monthly community meetings at 7:00pm on the 4th Wednesday of each month at the Encino Community Center, 4935 Balboa Blvd. Add your name and contact info to the link on our website to receive our monthly newsletter and agendas of ENC Committee meetings and proposed actions.

Participate. Become involved in any of the Council's committees including education, planning and zoning, parks, public safety, traffic, Van Nuys Airport and others.

Make a Difference. Don't complain. Get involved. Whatever your interests and concerns, there is an opportunity to make a difference for you, your neighbors and the Encino community.

I welcome your comments and suggestions at rglushon@lunaglushon.com.
